Si Señor[®]

RESTAURANT

FINEST MEXICAN FOOD

Using an old family Southern New Mexico recipe, Martin and Irene Castillo established their first Si Señor Restaurant in their hometown of Deming, New Mexico in 1984.

Martin and Irene together with their three children have opened Si Señor Restaurants in New Mexico and Arizona. The highly successful Si Señor Restaurants have prospered in the most competitive region for arguably the best tasting Mexican Food in the Southwest.

The success can be largely attributed to their sumptuous use of Hatch Chile, the impeccable service of their dedicated employees, and of course, their unique Southern New Mexico recipes. Hatch Chile is a high grade, sun dried chile that comes to us from Covarrubia's Farm in the Hatch Valley along the Rio Grande, sometimes called the "Napa Valley of Chile." Nowhere else in the country is it possible to grow as high a quality long stem chile.

The Southwestern hospitality and the variety of dishes available will draw you to return for more of the appetizing chile cuisine offered seven days a week. Our enthusiastic staff is sure to make your dining experience unique and personal.

Recently, Si Señor Restaurant was awarded three Las Cruces Sun News "Best of the Best Reader's Choice" Awards. These are: "Best Mexican Food," "Best Chips and Salsa" and "Best Business Lunch Place".

Si Señor is proud to use 100% Canola Oil to cook all your favorite dishes. Our salsas are freshly made in our kitchen and our corn tortillas contain no cholesterol, no trans fat, no saturated fat and no sodium. Our flour tortillas contain no cholesterol, no trans fat and no saturated fat. Serving with 'YOU' in mind.

ABOUT OUR CHILE

At Si Señor we proudly serve 100% Hatch Green and Red Chile. Hatch, New Mexico is sometimes referred to as the "Napa Valley" of chile and our family has utilized these products in our traditional Mexican cuisine for over 30 years. We use a variation of green chile (mild and hot), red chile and our new cream sauce in our dishes. The intensity of their spice will vary depending on your taste buds and below are some descriptions to help you decide.

MILD GREEN

Our mild has a great, smooth flavor. It accompanies dishes such as the Si Señor Burger and the Caldillo—a hearty green chile beef stew centered on roasted, smoky green chile. It adds an easy kick to every mouthful and allows you to appreciate the delicious flavors with just enough heat to make you want to finish every last bite.

HOT GREEN

Our hot has a taste so surprisingly good, that you'll keep eating despite the burn in your mouth. This level of hot is ideal in the green chile bowl, our mouthwatering chile rellenos and in our infamous green salsa dips. Its piquancy tends to linger a little longer than our mild but by the time you know it, you'll want another bite.

RED

You'll experience the depth of flavor our red offers every time you sink your teeth into our Columbus Red Enchiladas. Likewise, you'll taste the unmistakable sun dried flavor in each spoonful of our red chile con carne and our Cambray Burrito smothered in the red sauce. Our silky red chile sauce also uses chile pods from Hatch and has a pleasant spice that gently dissipates in your mouth.

NEW CREAM SAUCE - GLUTEN FREE

New to our quality sauces at Si Señor is the Cream Sauce. A blend of mushrooms, garlic, onion, mild green chile as well as other specialty spices all sautéed to perfection. This one-of-a-kind recipe vividly marries a myriad of flavors into a creamy, smooth sauce with just the right amount of heat that can be served on our enchiladas or smothered on our burritos.

Whatever your preferred level of hotness, all go exceptionally well with our signature House Margarita to simmer it all down a notch.
